

E.F.BENSON SOCIETY

WEST WINDOW APPEAL 2009

I would like to contribute to the restoration and repair of the West Window of St. Mary's, Rye.

I enclose a cheque for £ _____ payable to the E.F.Benson Society and marked on the back *for St Mary's West Window*

The Society will add all monies donated to this project to its own contribution from the Society's funds, thus showing how much has been given by the Society and its members.

The Society may arrange a special event for the window, donating all monies raised to this project. Throughout the fund raising period it will be good to know just how much E.F.Benson admirers have contributed to "his" window and its future. He wished a fitting memorial to his parents and we would want to show our desire for this to be admired by future generations.
